Day or night, golf at Lakewood Links is great!

## The island green of the 147-yd, par 3 hole - THE CRAB

- The green of hole #8 is shaped exactly like the carapace of a crab with two pincers on the left and right in the front.
- While on the 8<sup>th</sup> tee, beware of the notorious CRAB that's always 'hungry' for balls. A careless tee shot can send the ball for a GRAB!

## The island green of the 150-yd, par 3 hole - THE STARFISH

- The 16<sup>th</sup> hole green resembles a sea star with five arms and so named THE STARFISH.
- If one isn't careful enough, the ball will, in all probability, be gobbled up by the voracious STARFISH!
